Congratulations Class of 2022

Dear Class of 2022,

You join thousands before you who can proudly proclaim that you graduated from Southeastern. As alumni, you possess the skills critical to the growth of tomorrow's economy. More importantly, as a member of Our Community you have demonstrated empathy, compassion, and respect for each other. Move forward with these important skills, lead by example, find your passion, and take full advantage of your talents. Congratulations to the Class of 2022!

Luis G. Lopes, Ed.S.
Superintendent

Dear Class of 2022,

Just like that- you have completed high school! I commend each one of you on the remarkable achievements you have made during your time at Southeastern Regional Vocational Technical High School. You have worked so hard during the past four years and are now prepared to move on to the new challenges of college, additional career training, military service, or the workforce. I am very proud of the accomplishments you have made during these unprecedented times.

On behalf of the leadership team and staff of Southeastern Regional, we thank you for your dedication and cooperation as your teachers and administrative staff worked to provide quality learning experiences. You displayed an uncanny knack and determination to learn in school as well as at home. We are amazed by the tenacity and creativity you exhibited as you navigated new and different ways of accessing the educational services provided to you.

I hope that you see what you all have mastered over the last couple of years. The ability to switch gears to multiple modalities of learning increased interpersonal experiences and adaptation skills are what will help you succeed in the years to come. I hope all of our graduates realize that you can achieve anything you set your mind to. I believe this pandemic has shown us all we have the ability to face tough challenges head-on.

Always be grateful for the experiences you have had here at Southeastern. Always remember you are important. As you move forward to follow your dreams, there will be failures and plenty of real-life disappointments. Know that each hurdle you face along the way will make you stronger and wiser to make better decisions that will help you achieve your goals.

I consider myself blessed to have been your principal. I want you to know that you will always be a Hawk! I wish you the best of luck!

In Remembrance of Michael T. Cusick

Michael T. Cusick, of Lakeville, formerly of East Bridgewater, died peacefully at South Shore Hospital, on April 5, 2021, after a valiant fight with pancreatic cancer, at the age of 65. He was working up until mid-March when he was diagnosed with Stage 4 pancreatic cancer and died 5 days later. Michael was born and raised in Everett. After graduating from high school, he worked as a printer at various printing companies and MIT. He was currently employed at Southeastern Regional High School in Easton, as a shipping receiver. Michael was very proud of his Marine Corps son Mark (SSgt) and daughter-in-law, Michelle (Sgt). Michael was the beloved husband of Judy, for 35 years. He enjoyed vacationing in NH and Cape Cod and occasionally CA to visit Mark and Michelle. Family meant everything to him.

Bones or No Bones?

One of the most popular pups on Tiktok has quickly become the new magic eight ball for followers. Noodle served as a sort of daily horoscope with a game his owner, Jonathan Graziano, called "no bones." Graziano would prop up the 13-year-old pug and if Noodle remained standing it was a "bones" day, but if he flopped back down it was a "no bones" day. Bones days were cause for celebration and taking risks, while no-bones days were a time to take it easy and practice self-care.
